Riley Hospital *for* Children

7th Annual Golf Outing
Supporting Riley Hospital for Children
Friday, June 5th, 2009

Dear Construction Services Partner:

Safety Management Group would like to invite you to participate in our 7th annual charity fundraiser golf outing to benefit Riley Hospital for Children. Over the past six years because of your support the event has been a great success, raising \$75,000.00 to benefit the children at Riley. We ask again for your support and participation in making this year's event an even greater success.

As Indiana's first and only comprehensive hospital dedicated exclusively to the care of children, Riley Hospital for Children has provided compassionate care, support and comfort to children and their families for more than 80 years. Each year Riley serves more than 200,000 inpatients and outpatients from across Indiana, the nation and the world. Riley Hospital's strong affiliation with the Indiana University School of Medicine makes it the only comprehensive clinical resource for Indiana's children and the premiere source for health related information for their parents. All proceeds raised from this event will be contributed to **Riley Hospital for Children**.

This year's event will be held at **Eagle Creek Golf Course** in Indianapolis, Indiana on Friday, June 5th, 2009. In order to keep a better pace the event will utilize all 36 holes that Eagle Creek has to offer and will follow a best ball scramble format. Lunch and registration will begin at Noon with a shotgun start at 1:00pm. Following play there will be a dinner and awards presentation. Please complete the reverse side for registration and please send a check or include credit card (VISA or MASTERCARD ONLY) information to the attention of Betty: Safety Management Group of Indiana, Inc., 6500 Technology Center Drive, Suite 200, Indianapolis, IN 46278 or fax the information to the attention of Betty at 1-317-873-8361.

Thank you for your support and we will look forward to hitting the links with you in June!

Sincerely,

Ryan Graft
Clarian Health Account Manager
